# THE LIBERTY 24 HOUR BAIT SHOP

THE FUTURE IN LIVE BAIT TODAY

CALL TODAY

*If you are a store owner who wants to increase sales and profits, then our Liberty 24 Hour Bait Shop is the sales tool for your business . The Liberty will sell your bait & tackle products 24/7. Customers won't have to go elsewhere to get their bait when your store is closed. Our clients have adjusted their hours during those slower times, spending more time with their families while still keeping their customers happy . Convenience stores can keep the Health Dept issues away by keeping the bait off the same counter where the food is rung up. Our Liberty is a proven draw to these stores. The Liberty can offer a wide variety of bait as well as tackle items and more. The inside of the machine is totally reconfigurable, shelves can be raised and lowered allowing you to adjust to seasonal trends. With our optional credit card reader the Liberty can accept cash or credit. The Liberty can also be fitted with a heater kit for the northern areas enabling it to operate year round. The Liberty is truly the future in live bait today! Call today for more info.*
