

BIG ROCK LLC.

The Sportsman is our premium model and has all the features that have made our Liberty Model so popular. The Sportsman has the highest energy efficiency in the industry using only 5.7 Kwh/day. A new rigid delivery box accommodates taller products and includes a removable bottom for easy cleaning. The Sportsman premium vendors high security outdoor package with impact resistant polycarbonate window cover, rain guards; interlocking door-in-cabinet design and anti-pry covers provide superior protection from the elements, vandals and thieves. We also offer several options with the Sportsman one being a factory installed BRW Control System VE-103DA IISAS Alarm System. Another option is a factory installed credit card reader, which our customers are telling us that credit card sales are about 30 % of their total sales. For our northern tier state clients we offer a factory installed heater kit.

- The Sportsman has adjustable bait & tackle selections, configurable to almost any package size with no need for tools. L.E.D lighting and heated glass both standard with every machine.

The Sportsman

The future in live bait today

Our Premium 24 Hour Bait Shop

Introduced on 05/17/10

Simply put the Sportsman is the best choice in Live Bait & Tackle Vending. In May of 2010 we joined forces with the Wittern Group of DesMoines Iowa. They are manufacturing the Sportsman for Big Rock Sports. With all the great features of our Liberty, the Sportsman has even more (all standard). This brute weighs in at 975 lbs and is built to withstand all the challenges of outdoor use. Bring more revenue to your store. Sell your products to your customers 24/7. Give us a call!
