

LIVE BAIT
VENDING.COM

The Frozen Bait Box is ADA compliant and is the only machine of it's type to be out-door rated.

The Vendors high security outdoor package with impact resistant polycarbonate window cover, rain guards; interlocking door-in-cabinet design and anti-pry covers provide superior protection from the elements, vandals and thieves. We also offer several standard features with the Frozen Vendor, one being a factory installed BRW Control System VE-103DA IISAS Alarm System. Another option is a factory installed credit card reader, which our customers are telling us that credit card sales are about 30 to 50% of their total sales.

The Frozen Bait Box has adjustable bait & tackle selections, configurable to almost any package size with no need for tools. L.E.D lighting and heated glass both standard with every machine. It can be ordered as all frozen or as a multi-zone, The top two shelves being chilled.

The future in live & frozen bait today

Our New Frozen 24 Hour Bait Box

Add a new income stream to your business!!

The only vendor of it's kind in the world!!

The Wittern Group joined forces again to offer the saltwater market the machine that dealers have been requesting for years. Our new ADA compliant Frozen Bait Box is built to the same perfection as Sportsman freshwater model. The vendor features next generation air flow architecture allowing it to dispense refrigerated live bait AND frozen baits from the same machine using a common delivery fall space. You can even add some tackle items. Comes as all frozen too. Give your customers what they want when they want it! Never miss a sale!
