

The Sportsman is our premium model. The Sportsman has the highest energy efficiency in the industry using only 5.7 kwh/day. A new rigid delivery box accommodates taller products and includes a removable bottom for easy cleaning. The Sportsman premium vendors high security outdoor package with impact resistant polycarbonate window cover, rain guards; interlocking door-in-cabinet design and anti-pry covers. We added a high security lock cover. Also standard on the Sportsman is the factory installed BRW Control System VE-103DA IISAS Alarm System. Standard too is a factory installed credit card reader, which our customers are telling us that credit card sales are about 30 % of their total sales. A heater kit is also added to all vendors at no added cost.

The Sportsman has adjustable bait & tackle selections, configurable to almost any package size with no need for tools. L.E.D lighting and heated glass both standard with every machine.

THE BEST BAIT VENDOR OF THE MARKET

Introducing our new ADA compliant Sportsman

Simply put the Sportsman is the best choice in Live Bait & Tackle Vending. In May of 2010 we joined forces with the Wittern Group of Des Moines Iowa. We developed the very best bait vendor on the market today. This brute weighs in at 975 lbs and is built to withstand all the challenges of outdoor use. Bring more revenue to your store. Sell your products to your customers 24/7. Give us a call! Why not add a new income stream to your business?
