

The Sportsman is our premium model. The Sportsman has the highest energy efficiency in the industry using only 5.7 kwh/day. A new rigid delivery box accommodates taller products and includes a removable bottom for easy cleaning. The Sportsman premium vendors high security outdoor package with impact resistant polycarbonate window cover, rain guards; interlocking door-in-cabinet design and anti-pry covers. We added a high security lock cover. Also standard on the Sportsman is the factory installed Alarm System. Standard too is a factory installed credit card reader along with a Conflux payment system. The Evoke has a bigger & brighter display and a updated keypad. We also added a new trim package around the outer Lexan cover. A heater kit is also added to all vendors at no added cost. Which allows you to operate in the coldest weather.

The Sportsman is completely configurable. L.E.D lighting and heated glass both standard with every machine. We offer a new easy to use control board in the new Evoke Sportsman. This all adds up to the best Bait & Tackle Vendor in the industry
